

Michigan PTA Business Membership Form

**Today's students are tomorrow's employees.
Parents, Educators and Businesses need to work together
to ensure the best possible education for every child.**

JOIN NOW!

When you join your local PTA/PTSA as a business member, your **\$50 annual membership** supports child advocacy efforts locally, state-wide and nationally*. For more than a century, PTA has reminded our nation of its obligations to children and provided resources and important information to parents and teachers. Historically, PTA's advocacy efforts have accomplished many important initiatives including:

- Kindergarten in the public school system
- Tobacco and weapon free schools
- Child labor laws to protect against unsafe working practices and conditions
- A separate criminal justice system for juvenile offenders
- Federally funded hot lunches
- School bus safety regulations
- The content-rating system for television programs
- Labels with "explicit lyrics – parent alert" on music recordings
- Drug free school zones
- 25 mph school speed zone
- Latch Key child care programs

**Say "YES" today to help support the important work being done
in your community, our state and our nation.**
